The Bulletin.

Norwich, Tuesday, Jan. 21, 1919

After an illness of nine days, Matthew F. Sullivan passed away at his home on Prespect street Monday morning at 8 o'clock. He was sick first with grip which turned into meanmonia which caused his death. He was thirty-eight years of age. He was united in marriage in St. Mary's church Oct. 5, 1999, by Rev. James J. Smith to Miss Hannah T. Donohue. Beeldes his wife he is survived by a daughter, Marton V., hrue brothers. John T., James un't Bertholomew, and three staters, Mrs. E. C. Lillibridge, Annie and Elizaboth Sullivan. He is the son of Mathewand Mary Parker Sullivan.

Mr. Sullivan was a member of the

Sullivan. He is the son of Mathew and Mary Parker Sullivan.

Mr. Sullivan was a member of the Moose, also Court City of Norwich, F. of A. He was a devoted member of St. Mary's church. He was in partnership with Joseph Marchell in the bakery business and won many friends of whom all speak wel of him. He was always happy and was always ready to exchange a joke for a joke. All the business men as well as people in the village grieve at

as people in the village grieve at the loss by his death.

Members of the Ladles' Charitable society connected with St. Mary's church are sewing at their homes for French and Belgian refugees. Mr. and Mrs. Howard Gordon are spending a few days visiting relatives in Springfield, Mass. Mr. Gordon has received his honorable discharge from the navy. He was raied as a first class machinist.

many more years of pleasant married life. Mr. and Mrs. Ladd were mar-ried by Rev. Kellozg in Tatville on Jan. 17, 1894. Mr. Ladd is the super-

A surprise to the west teld at the home of Miss Mary Brown on North Main street Saturday evening with a large number attending, coming from Williamstic, Jewett City and New London. Games were dayed furing the evening. Selections were played on the Victrola, also on the piano. Refreshments were served consisting of cake, fancy cookles and leracueds. John Sayang is correctly III at his

WATERFORD MEETING VOTES

At a special meeting of the citizens of Waterford, held in A. O. U. W. hall line and therefor.

7. Upon payment hereof this certain minimum "person to person" to Monday afternoon the action of the the three tendered and the receipt printed below must be surrendered and the receipt printed below must be signed to whom officials in borrowing money by the owner in the presence of the needing authorized the common surrendered.

The minimum "person to person" to person to person" calls will be accepted where the "station to station" rate is less than ife.

Another interesting feature of the WEINERT—in Norwich, Jan. 18, Rich. town officials in berrowing money needed for school purposes was approved. The meeting authorized the berrowing of \$25,000. Of this amount it is stated that about \$13,000 has been expended or authorized. Selectman A. H. Lamphere presided and it was briefly explained that this money was needed for the completion of the work.

NEW TELEPHONE TOLL

REQUIRE NOTICE BEFORE CASHING W. S. CERTIFICATES

The way war savings certificates are being traded in and presented for cashing at the Norwich post office curing the past few weeks leads Presumaster John P. Mimply to propound the inquiry whether Norwich patholic surface will find something of personal interest in the new telephone toll rates which became effective at 12:01. A. Presumaster John P. Mimply to propound the inquiry whether Norwich jatriotism is getering out or whether it is an indication of desperore need of money on the part of families or individuals. Did all our patriotic purpose to help the government die with the signing of the armistice?

Those small amounts represented to the propose to help the government die with houses and customers in other cities.

In promulgating this order the thrift stamps and war savings cer-leates were supposedly loaned to

In promulgating this order the Postmaster General has established uniformity in telephone toil charges throughout the United States. He has also established certain charges for avenue received word Mond. the government for a term of five years, but the government considered the neople honest and natifolic enough so that it promised to cash the certificates for those who might find it absolutely necessary to have the money. service which have not applied hither-to and he has divided telephone toll toll service into three periods of the 24-hour day, with particular rates to govern during each period, so far as July 1 last year.

Mr. and Mrs. Howard Gordon are spending a few days risiting relatives in Springfield. Mass. Mr. Gordon has received his honorable distance of the money. He was raised as a first class machinist, and the surpress of the parents on the amount of the local bost office and the money. He was raised and traded in with raised as a first class machinist, and others. Possible the original parchasers, when giving them office of the formal new and others. Possible the original parchasers, when giving them office of the first and others. Possible the original parchasers, when giving them office of the first and others. Possible the original parchasers, when giving them office of the three periods as a the home of his parents on the suppression of service created by this order with this cashing in practice is very noticeable.

On account of this the ten days was discovered their small could be person than any thought of the suppression of the terms and conditions will be required and nay after the money. It is that most commonly used the first make conditions will be required and nay frents made only to the person the suppression to the first make conditions will be known as the "station to station" rate.

The altering protect was the feature of the first make conditions will be known as the "station to station" rate.

This is in accord with the following terms and conditions under which many more years of pleasant married many more years of pleasant married.

The altering protect is very not be reached at the called many more years of pleasant married for the money. It is that more connection is given and others. Possible the original feature of the original particular rates to govern during each period, so far as number calls are concerned. This late of the feature of the original particular rates to govern during each period, so far as number calls are concerned.
